Advertising Strategies

The key that unlocks the gross sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what question or problem your ebook answers and the benefits your book can provide. Then make sure to use that sentence in every piece of gross

sales and promotional materials, and every time anybody asks you about your ebook.

One is to offer something away at no cost along with your e-book, resembling a worthwhile bonus item. Or bundle a number of ebooks under one value, which lowers the price for each e book if they have been sold separately.

An efficient technique for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do that by creating a sales page for the brand new e book, but don't include a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with different costs on each page. Make sure your sales copy is exactly the similar on every web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum worth is.

Finally, in case you've written a e book that solves a downside or presents a new technique, your guide will bring in both site visitors and profits.
