Do that by making a sales page for the brand new e book, however do not embody a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with completely different costs on each page. Make sure that your gross sales copy is precisely the similar on each web page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.
