If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the new e-book, however do not embody a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Be sure that your sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.
