Another technique is to check out costs by making a number of duplicate sales pages with totally different prices on every page. Be sure your gross sales copy is exactly the same on every page, and

includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum worth is.

Finally, when you've written a guide that solves a problem or presents a brand new method, your e-book will bring in each traffic and profits.
