An effective technique for determining a worth is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the new ebook, however don't embody a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Be sure that your sales copy is exactly the identical on every page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum price is.

In the end, if you happen to've written a book that solves a downside or presents a new method, your ebook will bring in both site visitors and profits.
