Do this by making a sales page for the brand new e book, but don't embody a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is precisely the same on each page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum value is.

Ultimately, when you've written a guide that solves a downside or presents a new method, your book will usher in each traffic and profits.
