If these customers have already bought an book from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the brand new e-book, however don't embody a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is strictly the same on

each web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

In the end, should you've written a book that solves a downside or presents a new method, your e book will bring in each traffic and profits.
