An efficient method for determining a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price.

Do this by creating a gross sales page for the brand new guide, however do not embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is strictly the same on every web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, when you've written a ebook that solves a drawback or presents a new approach, your guide will usher in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 280 guide will likely be to the shoppers who buy it.
