If these prospects have already bought an e-book from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the brand new e book, but do not embody a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with different costs on every page. Ensure that your sales copy is precisely the identical on each page,

and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum worth is.

Finally, if you happen to've written a book that solves a downside or presents a brand new technique, your e-book will bring in each site visitors and profits.
