Do that by making a gross sales web page for the brand new book, however do not include a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is precisely the similar on each

web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum price is.

In the end, should you've written a e book that solves a downside or presents a new approach, your e book will bring in each site visitors and profits.
