If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new ebook, however don't embody a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Make certain your sales copy is precisely the same on each web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum price is.

In the end, if you happen to've written a e-book that solves a drawback or presents a brand new method, your book will usher in both visitors and profits.
